

Dairy industry situation and outlook 2009

DairySA and Dairy Australia invite you to attend information sessions on the 2009 Situation and Outlook report for dairy farmers.

Find out the current situation and forecasts for the coming season on:

- Milk price and markets
- Key drivers for the industry's future
- Grain and hay availability and prices
- Options going forward
- Farmer survey results (national and regional).

FREE lunch. Stay afterwards to catch up, share ideas and discuss issues further. Encourage your neighbours to come along too. We look forward to seeing you.

For more information contact Verity Ingham, DairySA 0428 660 127
